Apologies

If you are unable to attend, it would be appreciated if you could send a message or greeting to be included in the dinner programme.

This letter is being sent to Association members only. If there are former Artillery Clerks that you know out there who would like to attend the Reunion, I propose that you recruit them into the Association and put them in contact with me or the Secretary.

It will be great to see as many members and partners as possible for Dinner on Saturday night and of course, a strong attendance on the Friday to start the weekend in style is always well received. I look forward to seeing you all in July.

Ubique,
