And Association Dinner**

# Message from the Reunion Secretary

Major I F Constantine RA

Welcome once again to Larkhill and the 79<sup>th</sup> Artillery Clerks' Reunion.

Hopefully you have all found your accommodation and are pleased with the standard. If you have any problems or issues please let me know and I'll try and resolve the situation.

As ever, I have one or two small administrative points I would like to pass on.

- **Car Parking.** Please ensure you have parked your car in a designated parking place.
- **Messing.** In a cunning plan to reduce the cost to individuals, all messing will be in the Sgts' Mess, **including those staying in the Officers Mess.**
- **Mess Bills.** I have managed to negotiate us down to a nil balance on Mess Bills, so if you are presented with one, please pass it to me to sort out.
- **Smoking.** In line with Government and MOD policy, the public rooms in the Sergeants' Mess are **NO SMOKING.** This means that the smokers amongst us will have to retire to the outside smoking area to fuel our habits.
- **Annual General Meeting.** The Association Annual General Meeting will take place in the area of the Main Bar on Saturday at **1730 hours.** I urge all Association members to attend.
- **Photograph.** A Reunion Photograph will be taken at 1840 hours immediately following the AGM. I ask that all of you make the effort to attend.
- **Reunion Dinner.** We shall sit down for Dinner at 1930 hours. There will be a comfort break following the Loyal Toast. The kitchen is aware of any special dietary needs previously notified to myself. Those individuals will be placed on the seating plan.

There are still a small number of Association cufflinks and tie pins available, as well as that ever popular design classic the "AC" Tie. Roy Deal, our Assistant Secretary, will happily relieve you of cash in exchange for these "must have" fashion items.

If you have any questions or there is anything I can help you with, you will, as ever, find me in the Bar.

I hope you all have a good weekend.
