

Artillery Clerks' Reunion and
Association Dinner Germany
3 November 2007

Sergeants' Mess
Mansergh Barracks
Gutersloh

Message and greetings from the Germany Reunion Secretary
WO2 (SQMS) R J Holmes AGC(SPS) LSL

Gentleman,

May I greet you all with "einen Guten Tag und einen angenehmen Aufenthalt" here in sunny Gutersloh and to the second Artillery Clerks' Reunion and Association Dinner in Germany since 1992. With the kind permission of WO1 (RSM) D Wood we have the honour to dine in the Sergeants' Mess, Mansergh Barracks.

This is not your typical Woolwich weekend and as such the programme is not as busy as you are used to. However, due to the nostalgic nature and location of this weekend I am sure for those who have been able to get here from near and afar, will enjoy their short stay, meeting old friends and faces and perhaps seeing some old haunts too (mini bus is on standby for those who wish to take a trip).

All members are required to pay € 50.00 (Dinner, food and Accn) to the bar prior to the group photograph which will take place in the Sgts' Mess prior to the dinner. I would like all members to be assembled in the mess prior to the arrival of the RSM at 1900 hours.

We shall be sat for dinner at 2000 hours. There will be an 'ease springs' after the Loyal Toast.

I wish you all a fantastic weekend and in particular a memorable Reunion and I hope that, if you manage to see some old haunts, they bring back many happy memories.
